You'll find it beneficial in your first few days on campus to locate such landmarks as: the Quadrangle (lower l.) at the center of campus; the Thomas Jefferson Library (l.) which offers research and study facilities; and the Education Library (upper l.) which primarily serves students in teaching. The Administration Building (below) houses the Dean of Students, Admissions, and Placement offices to name but a few. Located one mile north of UMSL, the Pike House (oppo. page) is the year-round setting for weekend parties, meeting new friends or just relaxing after school.

INFORMATION PLEASE

The Information Desk, located in the University Center, is staffed by UMSL students in order to provide information and referral services to the UMSL community. Information services provided include a headphone check-out for use with the seven-channel stereo system; Lost and Found; a classified ad board on which personal ads may be posted by leaving the necessary information at the desk; and student directories available to all UMSL students presenting a current ID.

Bookstore Return Policy

Required books may be returned for full refund when: 1) Accompanied by sales receipt; 2) Returned in same condition as purchased; and 3) Returned prior to the end of the second week of classes.

A register receipt is always required.
Student Activities

The Office of Student Activities is to be found in Room 266 of the University Center. It is the "headquarters" for over one hundred campus-recognized organizations covering everything from accounting to young democrats. If you are interested in joining a campus organization or would like to start one of your own, contact the office at 453-5536.

In addition to providing assistance to student organizations, Student Activities sponsors such events as Homecoming, dances, canoe trips, and its annual Ski Trip during Christmas Break.

Homecoming includes a week of games held on campus, a community parade, soccer game, and climaxes with a dinner-dance at an area restaurant. At the dance, the King and Queen are announced along with the winners in float competition.

Alpha Phi Omega's annual bookpool offers students an alternative to the bookstore.

"On the air" — with the KWMU Student Staff.

The Ski Trip in Colorado provides a relaxing break from the grind of classes.

Drama at UMSL—the University Players.
ATHLETICS

As an UMSL student you can attend all home games for free just by showing your ID. UMSL's teams are among the finest with post-season bids being the rule rather than the exception. An extensive intramural program enables students to participate in anything from basketball to water polo.

Pi Kappa Alpha's sports involvement has always been strong. The first fraternity to win the All-Sports Trophy for overall performance in athletics, Pike's victory in football play-offs last year was a highlight of the fall semester.

Central Council represents You

Central Council, located in Room 253A of the University Center, is UMSL's student government and therefore acts as the voice of students to the UMSL community. The Student Activities Budget Committee, responsible for allocating over $100,000 in student monies, is appointed by the student body president, while one-half the members of the University Program Board are selected by the council. The UPB brings special entertainment and cultural events to campus. Council's services include Housing and Typing Referrals, Course Evaluation, Communiversity, the handling of student complaints, and Coffee-houses. Elections for new student representative positions will be held in late September or early October; membership on committees is open to all UMSL students. We encourage you to get involved!

Charlie Mays and Jeanne Grossman, student body president and vice-president respectively, represent the over 11,000 students of UMSL.

To get their candidate elected, students work extra-hard during the big campaigns.

Pi Kappa Alpha takes great pride in its extensive participation in student government. UMSL's last two student body presidents were members of our chapter while five of the twenty-five student seats on the Senate this year are held by Pikes.

Folk singer Tom Chapin appeared at UMSL last spring in a memorable concert.
UMSL's Greek system is a valuable asset to our campus in that it combines service with friendship, and offers to students the opportunities for a more enjoyable college career.

SOCIAL FRATERNITIES
ΠΚΑ—Pi Kappa Alpha—"Pike"
ΣΠ—Sigma Pi—"Sig Pi"
ΣΤΓ—Sigma Tau Gamma—"Sig Tau"
ΤΚΕ—Tau Kappa Epsilon—"Teke"

SOCIAL SORORITIES
Ξ—Alpha Xi Delta—"Alpha Z"
ΔΖ—Delta Zeta—"D Z"
ΖΤΑ—Zeta Tau Alpha—"Zeta"

COED GREEKS
ΑΦΩ—Alpha Phi Omega—"A P O"
ΕΒΓ—Epsilon Beta Gamma Sodality

The Inter-Greek Council consists of representatives from each Greek organization. In addition to sponsoring social activities throughout the year, IGC's Greek Week includes such games as pyramid building and tug-of-war.
Terms You’ll Want to Know

RUSH— The term used for membership recruitment by fraternities and sororities.

RUSHEE— A student who is participating in fraternity or sorority rush.

BID— An invitation extended to a rushee asking him or her to join a fraternity or sorority.

PLEDGE— A new member of a fraternity or sorority. His/her pledgeship usually lasts for one semester and provides the chance to make a final decision on membership after learning more about the group’s activities.

INITIATION— The ceremony which makes the transition from pledgeship to active status.

BROTHER— A member of a fraternity who has been initiated.

SISTER— A member of a sorority who has been initiated.

Questions You May Ask

Q: Can I join a fraternity or sorority even if I don't know anyone who belongs to one at UMSL?
A: Yes, that is one of the purposes of rush. It is a period of time used to get acquainted with new students.

Q: When I join will I be expected to live in the house?
A: Four of the seven social fraternities and sororities at UMSL have acquired houses but since six residents is the average capacity it would be impossible to expect such on your part.

Q: Do fraternities and sororities still haze?
A: Hazing as defined by the dictionary is to be forced to do unnecessary or ridiculous tasks. The days of swat lines and goldfish swallowing are over for nearly all groups but you might want to ask the members of the group which you’re considering joining whether or not they participate in any hazing activities.

Q: What should I look for in a fraternity or sorority?
A: This is largely up to your own judgement. You may want to consider costs involved, activities in which the group participates, opportunities for leadership, or just a feeling of wanting to belong to a specific group. One thing for sure, it will depend on your willingness to participate as to how good your fraternity or sorority experience will be.

Q: How do I go about joining?
A: The Panhellenic Council conducts a formal sorority rush on campus to allow interested girls to meet members of each sorority; each fraternity on the other hand conducts its rush program individually. You may receive information regarding who to contact from the Student Activities Office, 453-5536.
Pi Kappa Alpha
Truly a campus leader

We invite you to check out what Pi Kappa Alpha has to offer you as a new student. Proud of our achievements on campus and in the community, the Pikes stress individual development in addition to providing an active social life for its members. For more information, call Curt Watts at 428-8396 or 524-3894.

#1 ranked fraternity at UMSL according to an independent survey conducted annually by the College Survey Bureau.

More members selected for inclusion in Who's Who in American Colleges & Universities during the last three years than any other fraternity on campus.

Winner of the Greek Golf Tourney — Spring ’77.

Last two student body presidents at UMSL were members of Pike.

Intramural football playoffs champs—Fall ’76.

More members of the UMSL Senate than all other fraternities combined: 9 out of 26 seats in ’76-’77, 5 in ’77-’78.

A Pike has been chosen as IGC’s Man of the Year for each of the last 3 years.
Pi Kappa Alpha's annual Spring Break in Florida provides sun and fun for fraternity members and non-members alike.

Community service is important to the Pikes. A “bed race” co-sponsored by KSLQ radio station helped net over $16,000 for Muscular Dystrophy; our annual Pumpkin Pie-Eating Contest on campus raises funds for St. Vincent's Orphanage.
Your memories of UMSL will be what you make them. It is for this reason that Pi Kappa Alpha has prepared this book for you—take advantage of what UMSL has to offer . . .

Education is a social process:
Education is growth . . .
Education is not preparation for life . . .
Education is life itself.

John Dewey
"Don't walk in front of me
I may not follow,
Don't walk behind me
I may not lead,
Walk beside me and just
Be my friend."

Camus
You have the ideal set up where people with different interests, different potentialities, different inclinations all meet each other, know one another, quarrel with each other, compete with each other, embrace and wrestle with each other. This is the creative situation.

Eric Hoffer
The whole art of teaching is only the art of awakening the natural curiosity of young minds.

Anatole France
